# HEALTH RESEARCH ETHICS IN THE AMERICAS II

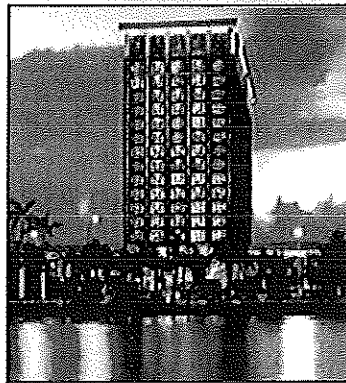

May 4 & 5, 2006  
Miami Beach, Florida

[WWW.ETHICS.MIAMI.EDU](http://WWW.ETHICS.MIAMI.EDU)

## OVERVIEW...

"Health Research Ethics in the Americas" is a workshop designed for investigators, support staff, and scholars involved in international research. The program will focus on current ethical issues facing health researchers in Latin America and the Caribbean to increase awareness of ethical issues and challenges in public policy. Participants will be able to compare experiences, share concerns, and discuss issues with an expert panel. The workshop encourages candid comments, questions, and open critique of available material. By the end of the program, attendees will be better able to identify and address ethical issues in international research and public health policy.

## LOCATION...

The 2006 Ethics Conference will be held at the Regency Ballroom of the Wyndham Miami Beach Resort. The Hotel is holding a block of rooms for this conference.

To be eligible for the group rate of \$155/night (tax excluded), please call (305) 535-2036 and identify yourself as an attendee for the UM - Health Research Ethics in the Americas. Reservations after April 2, 2006, are subject to space and group rate availability.
