Guardianship: Ethics and the Law

Exquisitely interesting challenges arise at the intersection of ethics, law and the duty of society to provide for those who lack decision-making capacity. In this interdisciplinary symposium, leading judges, attorneys and advocates will provide various perspectives on how best to arrive at ethically optimized strategies for protecting — and making decisions for — some of society's most vulnerable members.

Program chairs:

Marielis Rivera,
UM School of Law
Prof. Bruce Winick,
UM School of Law
Prof. Kenneth Goodman,
UM Ethics Programs
