OVERVIEW

Florida Ethics: Debates, Decisions, Solutions

Bioethics education is now an essential component of professional development. This program addresses these themes and topics: climate change, ethics and racism, Covid-19 resource allocation, and the health and social challenges of the pandemic. Bioethics education must be assigned the greatest possible role in the daily lives of health professionals and their institutions.

Accreditation The University of Miami Leonard M. Miller School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

Disclosure and Conflict of Interest Resolution All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Credit Designation The University of Miami Leonard M. Miller School of Medicine designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

This Program has been submitted to the University of Miami School of Nursing and Health Studies for a maximum of 3.0 *CEU Credits*. This course is approved by the Florida Bar (2001233N) for 3.5 general *CLE Credits* including 3.5 hours for health law. This activity may be used for continuing education credit for chaplains certified with the Board of Chaplaincy Certification Inc. Continuing education credits for Social Workers have been applied for.

- No travel expenses
- Reduced tuition cost
- Attend virtually from the comfort of your home or office
- Interactive Q&A panels and chat functions

Registrants using a discount code:

Our conference costs are based on the number of registrants. If you register, please attend. No-shows cost money and undermine our efforts.

PROGRAM

Learning Objectives

Upon completion of this program, participants will be able to:

- Recognize the ways climate change constitutes an ethical issue and bears on racial injustice; and contribute to institutional and social responses.
- Identify and address challenges related to the allocation of scarce resources in a pandemic; and contribute to institutional and social responses.
- Learn about ethics, pandemics and social policy, including education; and contribute to institutional and social responses.
- Contribute to ethics committee and other institutional initiatives in ethics education and community engagement.

Target Audience

This course is designed for physicians, lawyers, nurses, social workers, clergy, health administrators, philosophers, and others with an interest or a need for continuing education in health ethics.

Services for the Disabled

Please contact the Division of CME prior to **November 1, 2020**, should you have any special needs that may require additional assistance. A conference staff member will contact you to discuss these special requirements.
