HEALTH

Overview

Clinical Ethics: Debates, Decisions, Solutions Ethical challenges facing health professionals have never been more important or more numerous. This program emphasizes the theme of ethics and geriatrics, pediatric ethics, law and other topics. From the role of ethics committees to controversies in public policy, it is clear that bioethics – and bioethics education – must be assigned the greatest possible roles in the daily lives of individual professionals and their institutions.

Accreditation This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Miami Leonard M. Miller School of Medicine and the Florida Bioethics Network. The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Disclosure and Conflict of Interest Resolution All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Credit Designation The University of Miami Leonard M. Miller School of Medicine designates this educational activity for a maximum of 6.0 *AMA PRA Category 1 Credits*.™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

Credit hours applied for Nurses, Psychologists, Social Workers and Attorneys.

Registration Form

Online payment and registration for credit card payments may be made at <http://www.cme.med.miami.edu>. Or please complete the form below and mail it with check or money order payable to "UM Ethics Programs," or credit card payments (MC or Visa), to UM/Division of CME, P.O. Box 016960 (D23-3), Miami, FL 33101, Fax 305-243-5613. Please visit our websites at <http://www.miami.edu/ethics> or <http://www.cme.med.miami.edu> for a printable registration form. For more information, contact the Division of CME at 305-243-6716 or email the Bioethics Program at ethics@miami.edu.

Program

Course Objectives

Upon completion of this program, participants will be able to:

- Assess and reify the role and importance of bioethics in clinical and institutional decision making, especially regarding aging, pediatrics, law, the role and function of ethics committees and other topics.
- Identify and modify practice based on ethical challenges and issues in clinical practice, public policy, health law and the role of institutional ethics committees.
- Analyze and articulate ethically optimized solutions in clinical and public health contexts.

Audience

This course is designed for physicians, lawyers, nurses, social workers, clergy, psychologists, health administrators, philosophers and others with an interest or a need for continuing education in health ethics.
