T09

Meeting ID: 824 1432 9924

Passcode: 699797

All attendees must complete the post-activity evaluation to receive credit.

Target Audience:

Physicians, residents, medical students, nurses and other clinical staff.

Objectives:

At the conclusion of this activity participants will be able to discuss:

- Identify current applications of generative AI in clinical medicine
- Recognize ethical, privacy, and health equity challenges associated with AI implementation in healthcare
- Evaluate how artificial intelligence may influence healthcare access, disparities, and patient-centered care
