- Since 2012
- Research in social, ethical and legal aspects of public policies and regulations
- Publications
- International Network in Biolaw

And now, since September 20, 2017

WHO/PAHO Collaborating Centre for Bioethics

TERMS OF REFERENCE

1. To support PAHO/WHO in the strengthening of bioethics, especially clinical ethics;
2. To collaborate with PAHO/WHO in projects related to long-standing and emergent challenges in the field of bioethics; and
3. Under PAHO/WHO's guidance, to develop networking capacities with other Collaborating Centers, institutional partners, and experts.

We'll do our best to accomplish this
new responsibility

Thank you
