**Nurses continue to expand their roles in human subjects research. From study coordinators to principal investigators, nurses increasingly contribute to the appropriate conduct and management of clinical trials. This daylong workshop – a special version of the Dialogues in Research Ethics – will feature sessions on IRB review, human subjects research ethics, informed consent and other topics.**

To register for this special workshop, call VA extension 4321 (305-324-4455, ext. 4321) or send e-mail to [mary.groesbeck@med.va.gov](mailto:mary.groesbeck@med.va.gov). There is no charge. Nursing contact hours are available.

*Dialogues in Research Ethics is a series of monthly conferences. For more information, phone UM Ethics Programs at 305-243-5723 or send E-mail to [ethics@miami.edu](mailto:ethics@miami.edu).*
